

## Ownership Disclosure

You may be referred to a physician owned facility and your treating provider or physician may have a financial interest and/or personal services arrangement in the center. The treating provider listed below has a financial interest in the listed entities.

You have the right to choose where you receive medical and surgical services including an entity in which your physician or treating provider may have a financial relationship.

You will not be treated differently by your physician if you choose to use a different facility.

If desired, your physician can provide information about alternative providers. This choice, however, may be affected by restrictions imposed by your insurance plan. If you have any questions regarding this information, please feel free to ask your physician or any of our staff members. Your doctor would be happy to discuss alternatives with you.

Potential sources of information concerning alternatives can also be obtained from the Yellow Pages, the internet, or the county medical association.
